摘要

The most important function of the Personality Types' s theory is “the understanding of self” , that is a very fundamental and essential part of spiritual work . And the “Hero Within ” is just an effective Personality Types' s theory . Through the sight of the “Hero Within ” , we can grasp the secret of our lives and our archetypes .

On the other hand, Jin Yong' s Novels own very deep significance of humanism, and it is very popular in the chinese reading market, so it is also an effective tool to help us to analyse our archetypes and characters .

Therefore, this paper tries to communicate the theory of “Hero Within” and the art of “Jin Yong' s Novels” . In other words, this paper tries to use the theory of “Hero Within” to analyse the fiction' s role of Jin Yong' s novels; and through these analyses, we try to put forward some suggestions and secrets about life .
